

United States Department of State

Washington, D.C. 20520

SEP 12 2008

Dear Madam Speaker:

Pursuant to Section 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to support the replication of the Have Quick II and SATURN Electronic Counter-Counter Measure (ECCM) for integration into Radio Communications Equipment.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew A. Reynolds".

Matthew A. Reynolds
Acting Assistant Secretary
